

## Decree for God's Divine Plan for Humanity

- 1) Dear Almighty Father God, Mother Mary, Jesus, Archangel Michael, our personal Guardian Angels, and all Archangels, Angels, Light Beings, Masters, Saints and Sages of all times, we invoke your Holy Presence and bless your Infinite Love and Light of Truth with gratitude as we wish to cooperate in commanding the light of truth and compassion to alchemize our human consciousness to the highest God vibration. We acknowledge the presence of the dazzling white light of God within us. We invoke the violet flame of limitless transmutation. We are pillars of light, alchemizing consciousness wherever we are.
- 2) We ask to lift up the hearts and minds of humanity to the peace that passeth all understanding, to attune the minds to the highest visions of the Divine Plan, and to relieve all suffering while erasing all illusions and programming. Lord, we see your Spirit shining through as people all over the world are standing up for what is right and good and love-based. We ask that all energies of oppression, evil, darkness, abuse of power, ego-minds, selfishness, and agendas of power be transmuted and dissolved. Let there be Peace on Earth. Let us create Heaven on Earth. As we humbly offer our life and service to humanity, let us cooperate with the higher realms to fulfill our mission to establish Divine Order and Divine timing and maintain that harmony with all the Universe. We command the light to free and heal the children. We command the light to remove the old guard of old outdated powers and programming. We see the dissolution of all old institutions. We see and help rebuild the new world of angelic humans living in peace and harmony with our mother Earth and Galactic and Universal brothers and sisters. We see it done now.
- 3) We accept with full faith that our intentions have been received into the very heart of God. We thank you, Holy Spirit for all that we receive, all that we give, and the enlightenment and empowerment that we receive through our souls. We accept our part to play in the Divine Plan. We hear and follow your guidance. We maintain the God vibration in our hearts and minds. And we know that these supplications coming from our hearts of compassion are expressions of Love from God. With deep eternal gratitude, we release these intentions to Almighty Father God, the hierarchy of archangels and angels, light beings, and the masters, saints, and sages that selflessly work to uplift humanity.

By the power of our Inner Christ we decree that this is done.  
Amen.
