

Decree for Dissolving the United Nations, WHO-World Health Organization, the NIH, and the CDC

- 1) Dear Almighty Father God, Jesus Christ, Holy Spirit, Archangel Michael and all of the warring angels including all archangels and angels we call forth your presence to dissolve the powers and principalities and the players of the UN, WHO, NIH, and the CDC. We also invoke the presence and call for aid from the councils of light and the courts of Heaven. We invoke your Holy Presence and bless your Infinite Love and Light of Truth with gratitude as we wish to eliminate any power perceived or expressed by these organizations, and all such organizations worldwide that would usurp our individual sovereignty to make decisions regarding our health or otherwise of our own free will choice given to us all universally.
- 2) We now petition for Divine intervention to specifically rebuke and bind the dark ones, the evil spirits, powers, and principalities that may try to attempt to take power which does not belong to them. We also ask to eradicate any fear or intimidation tactics that may affect human souls. Please inspire each soul to recognize their sovereignty and give each the strength, power, and might to fight the evil ones who are trying to take over. Help us to know fully our power of free will choice. We ask for not only intervention, but protection. In addition, we ask that you bind and rebuke all politicians, health care organizations, lobbyists, agencies, groups, or individuals that promote or go along with these evil schemes to blight our DNA, limit our intelligence, or usurp our sovereignty. Expose all of the dark agendas. Expose all who participate in the dark agendas. Especially, protect our children. Let them live in a world of love and peace. Let them know their own True Spirit-Soul Self and claim their sovereignty as well. We ask now that all of these organizations be exposed and dissolved and we ask for Divine Justice according to Divine Will. We command the Light of Christ to dissolve the UN, the WHO, the NIH, the CDC, and all other health organizations or companies with ill-intent. We know that God is All-Powerful and God is in us. Let us recognize, feel, and use our inherent powers to overcome and dominate the powers and principalities of darkness. It is what we came here to do. Help us to understand and use our Divine Authority to defeat evil. We appreciate Divine intervention and assistance. We see it done now.
- 3) We accept with full faith that our petitions have been received into the very heart of God. We thank you for a swift response. We thank you for clear signs that your Hand is delivering us from evil. We thank you for using us as your instruments to disseminate truth. We know that the powers within us are being fully activated at this time. We each accept our part to play in the Divine Plan. We hear and follow our guidance within through the Holy Spirit. We maintain the pure love vibration in our hearts and minds. And we know that these supplications coming from our hearts of compassion for our children and for the lifeblood of all of God's children are expressions of Love from God. With deep eternal gratitude, we release these intentions to Almighty Father God, Jesus Christ, Mother Mary, Archangel Michael and the hierarchy of archangels and angels, light beings, councils of light, and the courts of Heaven that selflessly work to uplift humanity. We are filled with deep reverence and gratitude.

By the power of our Inner Christ we decree that this is done.
We ask this in the name of Jesus Christ. Thank you, Father. Amen.
